

ETHAR EBRAHIM YOUSSEF

DATA ANALYST

Egypt | +20 1228494295 | Etharyousseph208@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Data Analyst with an accounting background and hands-on experience in Excel, Power BI, Tableau, and Python, specializing in data visualization, dashboard design, and business intelligence reporting. Skilled in data modeling, DAX, Power Query, data cleaning, and statistical analysis to transform quantitative and qualitative data into clear, actionable insights that support decision-making. Proven ability to identify trends, evaluate business challenges, track KPIs, and improve performance, efficiency, and forecasting accuracy turning complex datasets into decision-ready reports for technical and non-technical stakeholders.

CORE SKILLS

Data Analysis Tools:	Excel (Pivot Tables, Power Query), Power BI (DAX, data modeling), Tableau, Python (pandas)
Analytical Skills:	Statistical analysis, data cleaning, trend identification, KPI tracking, dashboard design
Business Skills:	Financial reporting, budgeting, reconciliation, strategic analysis, forecasting
Other:	Effective communication with technical and non-technical teams, project management, decision-making, continuous learning

PROFESSIONAL EXPERIENCE

Freelance Data Analyst <i>Self-Employed</i>	2023 - Present <i>Remote</i>
